6 December 2011

Dear Sir/Madam

**CONCRETE PRICE INCREASE – EFFECTIVE 1 APRIL 2012**

On behalf of Hy-Tec Industries, I would like to thank you for your business and association over the past 12 months during what has been a challenging environment in the building industry.

With the need to continue to invest in our business to ensure Hy-Tec's ability to meet regulatory, environmental, business requirements and the increased costs of the producing and delivering concrete, we advise that the price of concrete will be subject to an increase effective from 1 April 2012.

The following price increases will be applicable:

**Concrete - \$14.00 per m3**

**Note: all prices are quoted exclusive of GST**

We assure you that Hy-Tec will always endeavour to provide you with sufficient notice of price increases to give you the opportunity to make adjustments for future quotations.

Should you require any further information, please do not hesitate to contact your sales representative.

We look forward to maintaining our mutually beneficial business association into 2012.

Yours sincerely
