

6 December 2011

Dear Sir/Madam

**QUARRY MATERIAL PRICE INCREASE – EFFECTIVE 1 APRIL 2012**

On behalf of Hy-Tec Concrete & Aggregates, I would like to thank you for your business and association over the past 12 months during what has been a challenging environment in the building industry.

With the need to continue to invest in our business to ensure Hy-Tec’s ability to meet regulatory, environmental, business requirements and to cover the increased costs of producing quarry materials, we advise that the price of quarry materials will be subject to an increase effective from 1 April 2012.

The following price increases will be applicable:

<b>20 mm Aggregate</b>	<b>\$4.00/tonne</b>
<b>14, 10 and 7 mm Aggregates</b>	<b>\$5.50/tonne</b>
<b>Fine Sand</b>	<b>\$3.00/tonne</b>
<b>Road Base and Manufactured Sand</b>	<b>\$2.50/tonne</b>

**Note: all prices are quoted exclusive of GST**

We assure you that Hy-Tec will always endeavour to provide you with sufficient notice of price increases to give you the opportunity to make adjustments for future quotations.

Should you require any further information, please do not hesitate to contact Rick Gleeson, Sales and Transport Manager Northern New South Wales on 0447 697 122.

We look forward to maintaining our mutually beneficial business association into 2012.

Yours sincerely

**Trent Alexander**  
General Manager – Northern NSW

**George Agriogiannis**  
Executive General Manager – Concrete & Aggregates
